

M 1/8 NOZZLE COMPRESSOR

SKU: 165 C6R1F

M 1/8 Nozzle Compressor 6 Rear 1 Forward

Compressor Invader Nozzle

The Compressor Invader Nozzle has 6 rear jets at 30° and one forward jet. It is small enough to penetrate into tight root blockages.

The Compressor Nozzles are used for the end of Whip Hoses and the Bullet Nozzle.

Made from hardened stainless steel.

6 Rear Jets and 1 Front Jet.
