BAR SHARP SHOOTER

USE LESS CHEMICAL AND INCREASE YOUR EFFICIENCY

SHARP SHOOTER PURPLE NOZZLE 15 L/min.

SHARP SHOOTER GREEN NOZZLE 22 L/min.

SHARP SHOOTER BLUE NOZZLE 30 L/min.

SHARP SHOOTER RED NOZZLE 37 L/min.

The SharpShooter Nozzle is a precision-designed shooter tip built with advanced forced-cone technology for safe, efficient operation. It delivers a tighter stream, greater reach, and reduced overspray. Made from lightweight, anodized aluminium, it's built for durability and performance.

Available in four colour coded sizes for easy identification, these nozzles are compatible with both hot and cold pressure washers and are suitable for downstreaming chemicals. Each tip is tailored to suit different PSI setups.

Designed for durability, convenience, and performance - let the SharpShooter do the hard work for you.
