5	125 85.804.024	Hose barb 3/8 M Bsp	1
6	-	By Pass hose 3/8 36 inch	1

Your suitable pump

Kit Assembly Guide

Please follow the steps below to correctly assemble your kit -

1. Connect **ITEM 1** to the pump.
2. Screw **ITEM 2** to **ITEM 1**.
3. Screw **ITEM 3** to the pump.
4. Screw **ITEM 4** to **ITEM 3** and **ITEM 5** to **ITEM 1** respectively.
5. Connect each end of **ITEM 6** to **ITEMS 4 & 5**.
6. Make sure all the connections are tight and secure.

NOTE: Use cable ties to bind the hose in place
